

CERTIFIED QUALITY AUDITOR EXAM REFRESHER COURSE

Course Objective:

The purpose of this 2-day course is to help experienced auditors become better prepared for the American Society for Quality (ASQ) Certified Quality Auditor (CQA) examination.

Course Overview:

Class discussion includes an overview of the exam process and a thorough review of the complete 5 topics of the CQA Body of Knowledge, as it pertains to the exam, offering all participants a better understanding of the basic principles and applications that will appear on the actual examination. The basis for the exam is the CQA Body of Knowledge and the course text, *The ASQ Auditing Handbook, Third Edition*, which will be given to all course participants.
